

Earn money for your child's school

To support your local schools you will want to link the school of your choice to your Perks account.

1. Login to our website by choosing login in the top right corner of our website. If you haven't logged in before choose register.
2. After you are logged in visit the Perks page under save big. You will see a tab for School Perks. Click there and look for your school and add it to your account.
3. Now with each shopping trip your school will earn one percent of all your purchases.

At the start of each school year you will want to re-link your school to your Perks account. If you don't see your school have them contact us at schoolPerks@afstores.com or visit maceys.com/school-Perks.
